CIP S-37, 2021 Sanitary Sewer CIPP Lining Project

The 2021 Sanitary Sewer CIPP Lining Project (CIP S-37) consists of cleaning, televising, and CIPP lining of approximately 2,007 linear feet of 8-inch sanitary sewer. The sewers are located on Morning Drive, Grant Street, and Wayne Street. By-pass pumping will be required to install the liner. Traffic control will be required to maintain local traffic in the residential area.

The Engineer's Estimate for this Bid is \$96,300. No bid will be accepted if it exceeds the City Engineer's estimate by more than ten percent (10%).

The Substantial Completion Date is April 29, 2022. The Final Completion Date is May 27, 2022.

This project will be bid on Bid Express® – www.bidexpress.com . Specific project information, as well as all requirements for submitting a bid, are on Bid Express®.
